CUYAHOGA FALLS BUSINESS DIRECTORY.

1884-5.

This village, the second place in size and the most picturesquely located in Summit County, has a population of about 3000 inhabitants, on the Cuyahoga River, in the township of the same name. It is one of the most important stations on the C, A & C and P, C & I' Railways,  $4\frac{1}{2}$  miles from Akron and 12 from Hudson, and is easily accessible from all points through connections made with other roads.

Probably no place in the State possesses as many natural advantages or points of interest. There are here a number of

**Pleasure Resorts,**

much frequented by tourists and particularly by picnic parties, the principal of which are High Bridge Glens and Caves, with beautiful shady grounds and fine large pavilions, opposite which the C, A & C R R have recently erected a handsome waiting room and platform, Gaylord's Grove, for many years a favorite resort for pleasure seekers,

<sup>cery</sup> Men. 161 S. Howard St., Arcade Bl'k.

with swings, croquet and base ball grounds, boating, etc , Big Falls and Old Maid's Kitchen, the latter a large cavern discovered in 1826, and still an object of great interest to tourists and picnic parties, Silver Lake, or Stow Pond, is also much resorted to by pleasure parties, many of whom come here to camp during the Summer season Two small steamers, with busses and carriages convey excursionists to and from the different resorts

### **Manufactures.**

There is probably no place in the State which shows such an amount of enterprise in manufacturing industries The following are the principal The sash, door and blind factory of H Snyder, one of the largest in the State, the Rivet Works of the Falls Rivet Co, the Variety Iron Works of Turner, Vaughn & Taylor, the Cuyahoga Forge and Iron Co, American Foundry and Machine Co, the Railway Barb Fencing Co, the extensive Sewer Pipe Works of Geo P Sperry, the Hollow Brick Works of H B Camp, the stoneware factory of Thomas Brothers, the Pearl Flouring Mills of Loeser, Clark & Co, the Cuyahoga Paper Co, the tannery of C Kittelberger, the carriage factories of Wm Blong, Clayton & Reid, and Vogan, Tryon & Clark, and the marble works of Wiemer Brothers, besides a number of smaller concerns

### **Churches and Schools.**

The churches are four in number, viz
